

Product Number: 303

Product Name: Odorless Mineral Spirits

USE AND SAFETY INFORMATION

Sunnyside® Odorless Mineral Spirits effectively thins most oil based paints, stains and varnishes. Ideal for cleanup after painting. Can be used wherever paint thinner is recommended. Always consult paint manufacturer's directions for thinning. Do not over thin. Do not use with water-based coatings, lacquers or shellac. Also recommended for degreasing auto and bicycle parts, and for other household degreasing projects.

Note: Sunnyside Odorless Mineral Spirits may be harmful to some plastics, linoleum, tile, and other synthetic surfaces if allowed to remain in contact. Always test before using.

CAUTIONS: CONTAINS PETROLEUM DISTILLATE. Keep away from heat and flame. Prevent vapor build-up. Open all doors and windows to provide plenty of fresh air equal to outdoor conditions. Do not use without fresh air ventilation. Do not smoke. Do not transfer to unlabeled containers. Close container after each use. For disposal guidance of unused product, contact a household hazardous waste program, or your local or state government environmental control agency.

Attention: Do not attempt to start or re-ignite: charcoal, wood or any other fire with this product. An explosive fire may result or fire may flash back into the container and explode.

Health Hazards: Vapor harmful. May affect the brain or nervous system causing dizziness, headache or nausea. Causes eye, skin, nose and throat irritation. Avoid breathing vapor or spray mist. Open doors and windows to provide plenty of fresh air ventilation during application and drying. If you experience eye watering, headaches, dizziness or have difficulty breathing, increase fresh air or wear respiratory protection (NIOSH approved) or leave the area to obtain fresh air. Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal.

WARNING: THIS PRODUCT CONTAINS CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS, OR OTHER REPRODUCTIVE HARM.

First Aid: If swallowed, do not induce vomiting. CALL PHYSICIAN IMMEDIATELY. In case of eye contact, flush thoroughly with water and get medical attention; for skin contact, wash thoroughly and get medical attention if irritation persists. If overcome by vapors, remove to fresh air and get medical attention.

KEEP OUT OF REACH OF CHILDREN.

Max VOC: 0.5%. Non-photochemically Reactive.
