

DAD'S EASY SPRAY

Paint & Varnish Remover

SPRAYABLE STRIPPER

Dad's Easy Spray stripping gel is designed to remove multiple layers of finish in one application. This Methylene Chloride Free, semi-paste formula clings to rounded and vertical surfaces to make paint removal easy. It quickly attacks the finish and lightens wood stain but will not harm wood or corrode metal. Use on wood, metal and masonry. Effectively removes most latex and oil-based paint, lacquer, shellac, varnish, epoxy and polyurethane finishes.

- Strips all finishes from WOOD, METAL and MASONRY
- Removes multiple layers of paints and stains
- Clings to vertical surfaces
- For Interior and Exterior use
